Monday, July 12, 2021 at 10:00 am
West Annex Meeting Room

- I. **ATTENDANCE:** Mark Crago, Tyrel Hamilton, Steve Riveland, Natasha Sailer
 - a. Staff: Josh Juarez, Amy Stadel (Environmental Health Administrative Assistant)
- II. **PUBLIC COMMENTS:**
 - a. No Public comments
 - b. Members of the public: Blake Gauer
- III. **REVIEW OF MINUTES:** Commissioner Hamilton moved to approve minutes, Commissioner Riveland seconded, all approved.
- IV. **NEW BUSINESS**
 - a. Sanitary review and Septic Fee increase
 - i. Natasha made a motion to submit the fee calculation checklist packet to the Board of County Commissioners for public comment review and approval. Tyrel seconded the motion. All approved.
- V. **UNFINISHED BUSINESS**
 - a. Homestead
 - i. Commissioner Hamilton did speak to Ryan in the County Attorney's office and Mr. Weitz has responded to the summons. The investigation continues to move forward in the legal process, but there is currently no court date.
 - ii. Blake Gauer said that Park City School nitrate level is at 13.7 PPM now. The school will put out a public notice. They are being forced to put in an RO system to ensure the safety of the students and staff. It will have to service the whole building.
 - iii. Commissioner Hamilton moved that Stillwater County assist the Park City School with an engineer to remediate the water system as needed. Natasha seconded the motion. Motion passes with no opposition.
- VI. **COVID 19 PANDEMIC**
 - a. The Stillwater Billings Clinic is still offering the vaccine. About 47% of the county is fully vaccinated. The Delta variant is in Montana. The booster could be years out. Stillwater Billings Clinic is still not offering the vaccine to children.
- VII. **HEALTH OFFICER REPORT**
 - a. Nothing to report
- VIII. **HEALTH NURSE REPORT**
 - a. Darla has been providing outreach services on tobacco prevention. She also handed out condoms at the hill climbs.
 - b. There has been one case of salmonella poisoning that Josh and Darla are investigating.
 - c. There is one new case of syphilis in the county

- d. They are working on getting mental health first aid for the employees and patients of the clinics and hospitals.

IX. SANITARIAN REPORT

- a. Rock-n-River subdivision complaint - Josh is working with the HOA. There have been no more complaints
- b. Crow Chief Meadows
 - i. Josh presented an aerial photo of the property. He visited with the property owner. Their drain field is clearly on neighbor's property.
 - ii. Commissioner Riveland made a motion to get a surveyor out to the property to identify where the property pins are. Commissioner Hamilton seconded the motion. Motion passes with no opposition.

X. OTHER

- a. None

XI. ADJOURN

- a. Commissioner Crago adjourned the meeting at 11:00 am
